12 June 2025

The Honourable Prime Minister
Government of India
New Delhi
India

Your Excellency

Respected Prime Minister Shri Narendra Modi ji

HEARTFELT CONDOLENCES ON THE TRAGIC LOSS OF LIVES IN THE AIR INDIA CRASH AT AHMEDABAD.

It is with profound sorrow that the Executive and Members of Vishwa Hindu Parishad of South Africa conveys its deepest condolences to the Government and the people of Bharat on the devastating crash of Air India Flight AI-171 in Ahmedabad on the 12th of June, 2025.

The news of the loss of 242 lives, including the brave crew and innocent passengers, many of whom were young medical students with dreams of healing others, has shaken us to our very core. What was meant to be an ordinary journey through the skies unfortunately became a fiery descent into an unimaginable tragedy.

We stand united in mourning with every bereaved family. In the great tradition of Sanatan Dharma, we pray that the bereaved families are granted the strength to endure this unthinkable pain and walk through the valley of darkness with faith as their torch.

In this hour of immense grief, we offer our unwavering solidarity with the Government of India, Air India, and all agencies that are involved in rescue, investigation, and support to the affected families. We trust that the Government of India, through its efficient leadership, will do all in its power to determine the cause of this catastrophe and ensure that such a calamity does not repeat itself in the skies of Bharat.

Please accept this message as a humble offering of compassion from concerned brothers and sisters in South Africa, who grieve with you and pray for peace, strength, and healing.

With heartfelt sympathy and deep respect.

Jai Shri Krishna.

Yours in Solidarity

Ajen Rooplal
